Her Job!

Yes, let us do your Baking for this Summer. Why toil and trouble over a mere few pennies, when you can get the best Bread and Cakes, etc., ever made at prices which are practically no higher than the cost of home baking?

And it may seem strange that the women who are most expert and successful in baking their own Bread and other fine things are the first to come to us. The reason is obvious. They know good baked goods and they know that it comes from our shop.
